A year ago I was making pizzas outside of Naples. Today, I'm almost a super model in Miami Beach. That's quite a change for me. I was tanning topless on the beach looking at Mt. Vesuvius, when this guy came up to me with his friend filming everything. He asked me if I would like to come to party at the Grand Hotel. Well, I decided to go and met some interesting people there. Now I'm shooting nice photos, making adult movies, and eating more pizza.

t's the third week of summer and my best girlfriend and I are in a wonderful four-star resort in Jamaica. We've been here for five days and while the sun and water sports have been a lot of fun, they've exhausted us and we haven't gone out much at night. Well, tonight's the night. We ask the concierge where the best dancing is and she suggests a couple places, depending on if we wanted to meet guys or dance. We said both. She chuckled, pulled out a local map and pointed to Don Juan's and we were on our way.

Rennie (that's short for Irene) had slipped on a short black dinner dress and I was in a black leather vest and matching skirt with some silver buttons and knobs for good measure. Her dress was pleated below the waist so it flowed easily and any movement almost revealed the bottom of her butt cheeks. Nonetheless it looked amazing on her and she knew it. Before we left the hotel, I begged her to put some panties on because she didn't want to. After some debate back and forth, we agreed on a black g-string. My undies were a bit more conservative, but still quite sheer and lacy that if viewed properly, left very little to the imagination.

We head down to the club about ten that night

and found it pretty dead. Oh, there were people there, but no one seemed to be dancing, just a loud murmur hovering over the place. We slinked our way over to the bar and ordered a couple drinks. Finding a table with a couple chairs, we sat and looked more closely around the room. The first drink went down quickly and I went to the bar to buy another round. As I return to the table, I see Rennie's up and dancing on her own already. I sit at the table and watch her for a moment, catching glimpses of the g-string triangle in the front and cheeky butt as in the back every time she twirled. I was mesmerized as it was quite sensual to watch.

Soon, a large handful of girls jump up and start dancing near her. Of course, this attracts some of the men that were loitering around or just hanging at the bar. The DJ notices and picks a more up-tempo mix and turns up the volume. Soon, the human mass on the dance floor seems to be gyrating in unison. The lights go dimmer and strobe lights pierce the atmosphere now and then in beat with the music. Rennie is attracting her fair share of guys, but one stands out from the crowd. He was probably six foot two with a nice body, great hair and a big butt. I figured he was probably a football player.

He's dressed in a light blue polo shirt and some pretty tight khakis. On his feet were tan deck shoes and no socks, typical of the resort crowd down here. When he turned and the light was just right, an obvious bulge was evident and I'm not referring to his muscles, although they bulged a bit, too. I'm watching everyone dance and I join in, too, as I finish my drink and put it down next to Rennie's full glass. I saunter out onto the floor and maneuver my way past the writhing bodies toward Rennie. I notice him watching her dance from a few feet away. His eyes are glued to her and as she turns, her dress rides up and reveals her tiny g-string.

That seemed to spur him on so he moves closer toward her. He walks straight up behind her and starts dancing close behind making sure to bump into her. I'm swaying to the music just a few feet away with my own suitor who feels the need to get within inches of me and gyrate his hips. Rennie turns around to see who's invaded her space and as she does, she notices the outline of his rather turgid cock. Instead of a scowl, I see her eyes light up and smile at him!

As the DJ changes the beat and the mood, she and I walk back to out table and she takes her drink. Steps behind is the guy who comes over and introduces himself as Chris. We both smile and say that it's nice to meet him, then Rennie asks if he'll go get me a drink, holding up my empty glass in her other hand. "Sure," he says and heads off. Quickly Rennie sits on the chair and pulls off her g-string and puts it on the table. That tells me she really wants him. I go back out

to the dance floor to leave some space for the two of them. Chris returns with two drinks in hand and sees that I'm gone and Rennie's panty is on the table. His cock is getting hard and he has to sit down cause it's just too obvious. I finish my dance and head back to sit with them.

He can't keep his hands off her, ignoring the fact that I'm sitting right there next to them. I look over and Rennie hands are running up and down the giant bulge in his pants. I can see the look in her eyes that she is going to have that. She takes his hand and spreads her legs slightly as she pushes it under her dress. Her pussy must be is soaked. She tells me she wants to go back to the room with him, but wants to be safe, so I should come too. We grab our few things and leave the club.

They walk together ahead of me, but I don't mind. I'm used to Rennie's antics since our college days, and she's been around when I got mine and I support her when she gets hers. We get to our hotel and jump into the elevator for the six floor ride. Losing no time, he pins her immediately against the elevator wall, kissing her hard with his big soft lips and tongue. He's cupping her butt and I see one of his hands pressing against her ass. Rennie pushes back and groans, kissing him back – hard.

Chris fingers her from behind as she fumbles with the key card!! We get inside and I close the door. They both are again oblivious to me, and I'm glad. They go over to the sofa area and before sitting down, Chris takes off his shirt and pants,

leaving on only his boxers. She starts running her hands over his bulging muscles as I find a chair and settle in. I hear him tell her to get on her knees. This seems to surprise her a bit but she's more than happy to do it. Rennie grabs his shorts and yanks them down. His cock springs right out and I see it's really, really large. I've never seen anything like it, at least ten full inches.

Rennie doesn't even hesitate and wrap her lips around his giant knob. It's throbbing hard and it's stretching her mouth, She's choking on the knob alone. After five minutes of that, his cock is a big wet mess. She stands up and Chris pulls her dress over her head and he leans forward sucking on her boobs and manhandling her everywhere. He picks her up and lays her on the bed. Rennie opens her legs wide inviting him in. He lays his cock on top of her pussy and it reaches her navel. I take off my shoes and sit on the bottom corner of the bed. The shows about to start and I have a front row seat. Chris wastes no time running his cock over her pussy, opening her pussy lips to wrap around his shaft.

Rennie starts telling him to fuck her. He pushes his giant knob in a tiny bit and her pussy stretches to take it all in. But he's still teasing her with just the knob. She can't take it anymore starts pushing yourself on it, filling her up. He starts pushing it until it's all the way in, and I can tell she can feel it on her insides! Her body starts shaking violently as she cum quickly and so hard. Chris slides it all the way out and watches her cum run out everywhere. Satisfied, he thrusts it back in and she moans in pleasure!

He starts fucking her again and his huge size makes her body shake. He keeps saying how tight she. Rennie notices he's going to come and no way does she want this to end. She pushes him off and repositions herself so she sits on his lap facing him with her feet on his taught quads. She lowers herself onto his throbbing cock and starts pushing it in deeper and deeper every time.

Rennie brings herself to cum a couple more times and then he picks her up with his cock still inside. I chuckle again thinking it is probably big enough to hold her up on its own. He's holding her mid-air and fucking her hard as she clings to him with all fours and screams again in pleasure. He starts telling her that he's about to cum and asks if he can fill her pussy. Rennie nods in between her screams and moans. This makes her cum again right at the same time she feels his huge warm load fill her pussy. With a couple slow hard thrusts as if to say goodbye, he hops off Rennie and the bed.

I see his cock is still hard and cum is dripping from it. I raise my hand and curl my finger at him to come over. He does and I take his hugeness into my mouth and begin to lick it clean. I swirl my tongue all around his huge purple head, being sure to get under the crown, and then take as much as I can deep into my mouth, slurping what's ever on the shaft. I pull my head back and it comes out with a large popping sound. He then gathers his stuff and gets dressed. We two girls are sitting on the bed as he looks at us quizzically. We smile back at him, waving goodbye like parade princesses and giggle.

## CORRESPONDENCE

To the editor,

I know Dillion looks like a sweet girl next door type, but I know she's a dirty girl who needs to be cleaned up. I want to soap her up and wash her from head to toe, front and back. Then I'd lower to my knees and take her wet pussy into my mouth.

I want to lick her hard clit, lightly grazing it my teeth, thrusting

## From Damon in Detroit...

This fall I went to Ann Arbor to visit my girlfriend at college. She decided not to go home for Thanksgiving, so I went to visit her. She's in her final year and has done very well. She lives off campus with a couple other roommates in a large house.

So, my girlfriend and I were watching a movie, and one of her roomies came into the room and plops down on the sofa with us. A few minutes into the movie she moves real

close to my GF and starts rubbing on her legs and chest. Then I see her ull my girlfriend's boobs out of her top and starts licking and sucking on them. My girlfriend did not complain and that confused me, and turned me on a bit. I didn't say anything there on the spot but later that day, we were getting ready for bed, watching another movie and my girlfriend started jacking me off when the same roomie came in and gets under the covers with us.

You could see her hand going up and down under the covers, so this girl reaches over and grabs my cock, too. We immediately started rubbing and kissing on each other, I pulled her thong off to the sid,e and even though she was soaking wet, I didn't know if I was going to get into her pussy.

Then my girlfriend starts fingering her roomie's slit. Then she started riding me, and her roomie hopped on my face, it was fucking amazing. The two then switched places with my GF now on my face and I eat her and lick her sweet, wet pussy. Then I feel her roomie grab my cock and guide it into her pussy. She starts riding me so hard, we both came after a short while.

When she got off, my GF sucked my cock, licking her's and roomie's cum off of it. The three of us fucked the rest of the night. It was the best Thanksgiving ever.

## From Ethan in Manhattan...

My name is Ethan and I'm in a very fortunate situation I wanted to share with you. I have a French lady friend that I've been going out with for the last six months. We met at a coffee shop over iPads. She had spilled hot coffee on hers and was in a bit of a panic because she had to email her mom in Lyons by nine pm. I offered mine and we've been friends ever since. We saw each other off and on for a couple months before becoming lovers.

I cannot (but I will) tell you how wonderful she is because she says I make her float in space (thank you Sade). What is incredibly special about her is her passionate desire for anal sex. She gets very excited when that opportunity presents itself. She lays on the bed and raises her ass in the air with her legs spread wide and nice round cheeks slightly spread. I can feel the heat from her body just steaming from her hot hole eager with anticipation of my stiff hard tool entering her.

At this point she can hardly contain herself and I can see her moist wet hole

puckering up for my cock. She starts to whimper and urges me to take her now. I hesitate for effect and then slowly insert my a finger in her ass to test how really ready she is for me. She is very wet, she moans with pleasure and pushes back to have me completely inside her. I slowly move back and forth with my finger then I quickly insert another finger to ready her for my thick cock. She can hardly wait for the penetration she desires from my cock. I slowly reach around hers legs to feel her pussy and feel the desire

that has been building up for her willing perfectly round ass.

By now, I find her pussy lips completely swollen and drenched with juice from the excitement she is about to receive. I take my fingers and begin to fuck her pussy with them. Her lips are quivering and actually sucking my hand in closer as I continue to play with her wet hole. I only do this for a instant as I take aim with my cock and steady it for my intended target, her waiting ass.

In one complete motion I meet and insert my hard pole and drive deep into her waiting flesh and slam deep inside her with no resistant but wet juice and her sucking ass muscles around my cock. She lets out a loud moan of pleasure and whimpers as I begin to work my meat pole in and out of her ass.

She can no longer wait for me and starts to impale herself on my cock harder and harder. She wants to be fucked hard and feel me cum deep inside her now. She is so wet I can hardly keep from falling out as I repeatedly pound her opening again and again.

I can feel her inside tightening up and I know she will explode very soon with an orgasm that she has been waiting for. By now she is floating in space with me fucking her ass and it is all about her excitement as she wants to cum on my stiff flesh. Her back is arched back with her boobs facing up.

Her nipples are rock hard and I begin to pinch them to release yet another pleasure sensation throughout her hot, sweaty body. She starts to buck up and down on my cock and completely takes over my own body as she sucks me in and braces for the hard wave of orgasm about to explode inside her beautiful brown hole.

Nearly in tears from emotion, she suddenly stiffens her body and explodes with an orgasm and her asshole is now sucking my cock looking for my load to join her own excitement. Her orgasm grips my cock and she will not be denied, I complete my penetration of her and pound her until I release my milky hot load deep inside her as I feel her quivering body accept my pleasure. I collapse on her steamy body as I let my cock empty every bit of my essence inside her.

my tongue deeper into her pussy. Meantime, she is reaching with her hand to cup my balls and lightly massage them and then she takes my whole cock into her mouth.

I'm grasping her head, and thrusting my cock into her mouth, gently fucking her face. Meantime, I'm sliding my hand past her pussy to her ass, gently rubbing her ass passage as I thrust into her mouth.

I'm now inserting a finger and rubbing just inside the rim as my hands grip her head a little firmer. Now

Slowly my cock is released, soaked and tired, we wrap ourselves into a blissful union, catching our senses and thinking about the next time we can take this fantastic trip together.

## From Horny in Texas...

Last Friday night I had just gotten home from a friend's house, was kind of drunk, laid in bed, and was almost asleep when I got a phone call from another friend asking if he could come and snuggle. I said maybe and he said he was coming now. Some fifteen minutes later I get a text message saying "3 some?" I text back "WHAT?!?"

Next thing I know, two of my guy friends turn up at my door and I answered wearing my Raiders oversize shirt and panties. They both came in and started taking their clothes off once they got to my bedroom. I laid down in bed trying to sleep. They both crawled into bed with me and

began touching me. I moaned and really wanted them to keep going.

They did and soon I was naked with them. I could feel their cocks rubbing on me and I reached down to stroke them. I had hands touching me all over and soon enough I was dripping wet. I sat up and got on all fours, one of them started pounding me from behind and I had the other one's cock

in my hungry mouth.

It felt amazing to have two cocks in me at once. We changed positions and I sucked the first one until his cum was running down my throat. Then the two guys switched positions and I could taste my own juices on the new cock as I licked him. He finished as well and I swallowed his. too. Fortunately for me, they decided that I should cum as well, so one got down on his knees and started licking me while the other played with my breasts and kept kissing me. We fell asleep; woke up; and watched the sun come up. We were all ready for round two.

my finger's gently fucking her ass and my cock's deep in her mouth as the hot water hits my back. I cum first, then you cum immediately afterwards and it id louder than the shower. Not realizing how it took it out of us, we gave ourselves a minute to catch our breath. Then you wrap your lips around my tongue for one final kiss.
